

Upper Peninsula Net Preamble  
AUGUST 2011

Good afternoon, this is the Upper Peninsula Net.

We meet seven days a week at 5:00 pm (EST), and we also have a Sunday noon net. New check-ins to this net are always welcome.

We are a member of the National Traffic System and operate on a 3921 kilohertz.

Your net control today is \_\_\_\_\_  
My name is \_\_\_\_\_ and I'm located  
in \_\_\_\_\_

Following the initial call for check-ins, additional check-ins are asked to please wait for one of the standbys given every ten minutes, for this purpose. However, mobiles and stations with traffic are encouraged to check in at anytime, and will be given priority in transmission.

Please give your name and location when you make your transmission.

- Recognize the pre-net group, if necessary
- Call for stations with traffic
- Call for mobiles
- Any others wishing to check-in
